O'RYAN AND STAFF AT SPARTANBURG

Commander of 27th Division, U. S. A., Reaches Camp Wadsworth.

HE STOPPED IN CAPITAL

Slowery Speeches Postponed for a Day-Big Cantonment Is Nearly Ready.

Special Despatch to Tan Bun.

PARTANBURG, S. C., Sept. 1.-When mader of the Twenty-seventh Division. U.S. A. Spartanburg's officialdom had the disappointment of its life. The General did not arrive until midnight. tepresentatives of the civic, social, nuclai, church and industrial life of the cly, comprising the reception committee, and that all the rehearsals of welcomspeeches had been in vain, for each these speeches originally teemed with of these speeches originally teemed with firal bouquets for the distinguished New ork soldler who tarried in Washington. ostors resorted to impromptu utteracces and thereby hastened the departplaints will be until Monday, when they take trs will be until stonday, when they take they their official life at Camp Wadsworth, fire miles away. With the general staff a ready here, the entire headquarters they already in quarters and two sentins of the train bearing Col Cornelius be Vaderbilt and his regiment of Twentyond Engineers slowly detraining at camp, Spartanburg has had excitemat enough for one day, even though

he headquarters troop, commanded by apt. Davil Dunbar and Lleut. Dougas Cameron, arrived here at 9 o'clock this morning after a forty-one hour jour-ne from New York. The only unpleas-at incident in connection with its jourtrin ran at Charlotte, N. C. This rain had been in progress for

tenty-four hours at Spartanburg and transformed the camp plateau and road me quagmires of clinging clay. This wich were ready totransport the troop's edipment from the railway siding to a camp site a mile away.

The headquarters' troop was in camp may hours before its conical tents were erried and the men given an opportuhir to stretch out in their own quar This troop is composed of care-picked men, all specialists in their picked men, all specialists in their Nearly all are college bred, and spirit of the troop is magnificent. majority of its members are men sb occupy important places in buness and professional world, and the with which they seized copies MITHE NEW YORK SUN on their arrival er ip order to glance at the stock que tabns indicated that they are exceed-ing well to do. The boys were given roung receptions along the route.

an gave them half an hour to stretch the legs through the city. All took aduntage of the release from cramped in tourist cars and thoroughly Health nected North Elm street, the princi-

a aif from the city proper the boys are granted. This is another step in the little of nothing of that thriving the town. The first section of the train the town. for on the second section, arriving a fer hours later, and the third section in probably get here late in the night, he first of these trains was fifty-four for on the way from New York and miuntered many tedious delays. At Wishington the train was held up two There was a wait of three hours Petersburg, Va., and at Monroe, Early to-day the engine was deentailing another delay of five No one was hurt in this wreck. an all the equipment escaped injury. AtDurham, N. C., another holdup of the hours was encountered, and when the engineers rolled into Spartanburg the boys in the forward cars gave vent

Vanderbilt to Live in Camp.

ol Vanderbilt, despite many reports to the contrary, will live in camp with himen. It was current rumor that he innded to establish his quarters in the cifs leading hotel and that he had rested an entire floor to this end. This report he soon quashed, and his men to the contract of the seed an entire floor to this end. This feirt he soon quashed, and his men arounced that they knew him too well

the punctuated every word. Presit at 10:30 and dispand at the parameter of the Brown of the Chamber to get all to the Poto Grounds."

The order of the parameter in Manhattan o Commerce was equally cordial. Tose of the staff arriving here in-titled Col. Henry H. Bandholts, U. S. A Division Chief of Staff; Lieut.-Col. Mahew Wainwright, Inspector-Gen-en, Lieut-Col. Henry S. Sternberger, Clef of the Quartermaster Division; Ador J. Leslie Kincaid, Intelligence Ajor J. Leslie Kincaid, Intelligence Cher; Lieut.-Col. Franklin Ward, Asswant Chief of Staff; Lieut. C. P. Franklin, A. C. P. Franklin, A. C. Franklin, A. C. Franklin, A. C. Franklin, A. C. Montgomery, Ajors I. Hutton, A. W. Howe, John Arrell, Capt. E. M. Moore, Capt. E. Aller, Capt. J. M. Hattenberg, Lieut. J. P. Palmer, Lieut. W. H. G. Balance, leut. G. W. Pippard, Lieut. H. T. Gement and Master Holmes Ryan, the tement and Master Holmes Ryan, the existen Commander's little son. Immediately after partaking of a ted luncheon the staff, escorted by ig Gen. C. E. Phillips, in charge of the camp until Major-Gen. O'Ryan ars. waived all ceremony and went amp Wadsworth, where Gen. Philshowed them what had been accomplished at the hands of the army o 4,000 artisans and laborers at work so far 1,180 buildings of various

Water Piped 10 or 12 Miles. er piped ten or twelve miles to the

The camp' is a little city in itself. Spartanburg is ready for the harvest that is to flow into her lap, for a monthly payroll of \$1,250,000 is to be disbursed here when all the New York troops are in camp. At least half of this sum will be spent here. The thriving, hustling little city has a population of 30,006, 35 per cent. of whom are black. The blacks line the streets, and as this is Saturday night, Main street and the squares are fairly alive with the rollicking, happy go lucky negroes, who work like beavers by day and romp and revel the better part of the night.

Police to Hunt Absentees.

"(g) Fifteen minutes before train time the roll will again be called from the list. If any men are absent their names will be cancelled from the and their cards and reports of physical examination will be removed from the group of cards and reports. "(h) Immediately upon the departure Would Have Been Chief Conductor of the train bearing the group to Camp Had He Remained. Upton one of the board members will Upton one of the board members will proceed forthwith to the nearest telephone and there report to Police Headquarters (Spring 3160) the names and addresses of any absentees. This detail must without fail be carefully persuant must be supported by the conductor, was announced yesterday from the Metropolitan Opera House. The would achieve victory in the autumn of the carefully persuant must be used to describe the conductor.

its full number of men promptly at the departure point on September 10. It is desired that the first contingent com-prise men with previous military ex-

prise men with previous military experience, mechanics, cooks and men with
trades. In making this selection order
numbers are not controlling, but be absolutely certain that no one is taken
whose call number is so far down the
list that he will not be within the net
quota of your board. There appears no
reason for the ordering out of alternates
at this time. MEN TO GO TO YAPHANK at this time.

til the district board has certified back its entire list, for you to determine with accuracy just who the last man of the first quota will be. Until you have your net quota completely certified back, therefore, use the greatest care to avoid calling a man who is not likely to be included in this net quota. Always bear in mind that calling into serivce a man who is not included in the net quota, no

men of your quota for later contingent Mobilisation Records.

"5. The receipt of the certified lists of selected service men from the dis-trict board will be your warning to pre-pare for mobilization.

"As soon as these names are certified to you by the district board in triplicate, on Form 164, poet one of the lists at on Form 104, post one of the headquarters of your board, send another copy to the City News Association, 30 Church street, Manhattan, and properly filled in and addressed, notify-

rent. contingent are to report at their but you must both post list and mail cards

cards,

"6. Now draw up, on Form 164A,
a list of the names of the men who
shall constitute the first contingent,
taking these names from Form 184. chairman, each group will board the shall constitute the first contingent, special trains at 10 o'clock. Those living in Manhattan and The Bronx will go to the Thirty-fourth street ferry, and those from the other boroughs to the Atlantic avenue station in Brooklyn. The men who of the men named on this list, directing avenue station in Brooklyn. The men them to report at the board headward will get their lunch when they reach the camp.

has been completed and all that remains to complete the full draft quota is the passing on exemption claims and the sending of the certified lists by the district board back to the local boards. This places each man in his proper number in the lists and does away with all possibility of those certified not being called in their proper order. This part of the work is more a question of book-keeping than anything else.

Plans for making the great send-off to the selected men on Tuesday a glorious all day affair are developing rapidly under the hands of the Mayor's Comparative of the work afternoon between 300 and 400 reserve officers reported at Governor's Island in response to the call of Capt. A. L. Boyce, marshal of the parade. Various divisions of the parade in Manhattan will be in charge of majors of the Reserve Corne. tary prison as deserters from the army. Similar action will be taken Government in this war, and it will be my sim to keep it there and at the same time to carry out the earnest wishes of the Governor to protect our great industries and the welfare generally of our business men at home.

WANTS CITY TO KNOW HIM

Brooklyn Judge and Candidate Craig Run Afoul of Each Other.

Not to be outdone in the use of glit-

tering language the Tammany candi-

date, John F. Hylan, effusively thanked William R. Hearst yesterday for the latter's belated proffer of support to the Tammany ticket and his lambasting of Mayor Mitchel. Judge Hylan, after most deliberate thought, released the You will reserve the colored following telegram to Mr. Hearst at 3 o'clock yesterday afternoon: "I regret that you are iii. I hope for your quick and complete recovery

cannot tell you how deeply I appreciate
your estimate of my purposes and of
my record in public life. I assure you
the ideals of public service for which
I have always fought and to which I
owe your splendid and unselfish support
of my candidacy in this and other campaigns will remain straffer. paigns will remain steadfast.

'The people of my own borough know
me and I am confident they will stand loyally with me. Your generous com mendation will help the people of the whole city to know and understand me

whole city to know and understand me better. The faith and confidence the better. The faith and confidence the people have in you have been earned by the unrelenting fight you have been make ing for years for reform and honesty in public service.

"With your support victory is certain in this fight to restore the government to the people and strike down the patent conspiracy of the agents of special privilege to many the general special privilege to usurp the govern

ment of the people and direct it to their own finalcial gains."

About the only thing that took place politics vesterday outside of Mr. lan's telegram to Mr. Hearst was a heartrending flareback at Judge Hymn for his statement on Friday that is favored the extension of the crossic "7. Absentees-After having notified and Eighty-sixth street through Broadway

The Judge's advocacy of this proposal

In making this statement the Judge evidently forgot to consult his chief running mate. Charles L. Craig. can-didate for Comptroller. In March, 1916, Mr. Craig. as attorney for the West. End Association, filed a brief with the uncertain words that such an exten-

sion should not be granted.

Mr. Craig went further in his brief and said the evidence produced by the railway company and those in favor of the extension showed beyond question that there was absolutely no necessity for ruining Eighty-sixth street by put-ting a double track extension through

NEW MISSION FROM ENGLAND ARRIVES

Summary for all work reported by the Army Officers Fresh From Trenches Are on Way to Washington.

> Two hundred passengers arrived at an American port yesterday aboard & British steamship Among the passengers was a special mission from England, in-cluding some army officers fresh from the trenches, who are on their way to Washington to confer with Government officials. Members of the mission re-quested that no mention of their names

spired by ennul He left his sheltered enemy machine gun company; was cited in orders and engravers are busy working on another medal. The Licetenant is to enlist in the American forces.

POLACCO QUITS METROPOLITAN.

Lieut. Ernest Hargeit, formerly of Washington, who has been serving in the British army, also returned to enlist An officer of the British mission in his

that none of his party is left at stops along the road.

"(1) After accomplishing this send the following telegram addressed The Adjutant of Camp Upon, Yaphank, L. I.: Party of — selected men from Local Board — New York city, left here at A. M., to arrive via Long Island Railroad at — P. M. to-day.

"3, Since the men selected for the accomplishing this send the conductor expressed the days, but that it took months to treatment, the conductor expressed the with the deposition may be associated with the Metropolitan.

Gatti-Casazza replied, accepting the withdrawal with regret, Polacco would have been the Metropolitan's chief continues were made in two or three days, but that it took months to train a skilled aviator.

Many of the passetigers spoke of the inspiring effect the arrival of the American troops had on the soldiers in France, They asserted that it had injected new form the position last year after the departure of Toscanini. He was divorced recently by his wife, Mrs. Clothile Polacco.
